[Facebook](#)

Rose City Park UMC is a congregation in transition.

Located in NE Portland, the church has undergone deep revitalization work in the last 2-3 years with a shift to the Accountability Leadership Model of Governance (Single Board) and other significant changes.

The result has been some internal conflict and an Intentional Interim is required at this time to stabilize and redirect the congregation's commitment to missional engagement.

The congregation averages around 75 in worship with 2 worship services, and there is a parsonage. For more information or if you are interested in Intentional Interim ministry, please contact the Columbia District Superintendent, Erin Martin (erin@umoi.org).
