

Roseburg First United Methodist Church – Full Time

Congregation that averages 120-140 in worship with an early causal service in the Fellowship Hall and a more traditional worship service in the sanctuary. This church has very good lay leadership and seeks to continue the positive trajectory that has been established with its current pastor. Roseburg is centrally located in the Crater Lake District and frequently hosts district events. Roseburg has a population of more than 21,000 but draws from surrounding rural areas and feels like a town twice its size. For more information, visit their website at <http://www.fumcroseburg.org> . Contact the Crater Lake District Superintendent John Tucker (john@umoi.org) for more information or to express interest.
