

Oroville United Methodist Church & Tonasket Community United Church of Christ

Nestled in the beautiful Okanogan Valley, where you experience four definite seasons each year, are two congregations committed to working together with a pastoral leader to continue and expand ministry within and outside the church structures. Oroville United Methodist Church and Tonasket Community United Church of Christ are small mature congregations (35 and 18 in average worship attendance), are adequately funded and ready to step into new adventures. Diverse in theological and political bias, the people are united in love and respect and work well together.

An outgoing, extroverted pastor who relates well to not-yet-Christian people in coffee shops and athletic settings would be a plus. Strong worship and preaching skills are greatly appreciated. This will be a full-time appointment.
