First UMC Portland is a progressive Reconciling church with an effective urban ministry that is bustling with families and enthusiasm to transform the world. The music program and vibrant worship sustain its vital community involvement. One has only to see the 60-person choir and the 50 children present in worship every Sunday to know it is a place of lasting impact and personal connection.

The Minister of Discipleship is charged with oversight of the nurture and outreach of the congregation by supporting age-level ministries, newcomer orientation, and small group ministries. Applicants should be prepared to jump right in and leverage the largest United Methodist church in Oregon to its fullest potential and its greatest impact in personal discipleship and communal transformation.

Those interested should contact Columbia District Superintendent, Rev. Erin Martin at Erin@umoi.org.
