

Ocean Park United Methodist Church | [Website](#) | [Facebook](#)

Ocean Park United Methodist Church is located a minute from the beach in a quiet community on the Long Beach Peninsula in the southwest portion of Washington State surrounded by the Pacific Ocean on the West and Willapa Bay on the East.

A description of the community from the church leaders: *Fishing is a major source of income, with fishermen fishing for crab, tuna, salmon, etc. These items are also available to the community in each of their seasons. Razor and steamer clam digging are available for the land lovers. Wildlife is also abounding with bear, deer, elk and lots of the smaller wild animals. The population is made up of a variety of ages. We are blessed to have a hospital, two grade schools, a middle school, high school and satellite community college, as well as many denominations of churches and an active Senior Center. It is a haven for artists and talents of many types and is a wonderful place to live.*

OPUMC is a resilient congregation looking for a $\frac{3}{4}$ time pastor who can provide pastoral care for many aging members, as well as provide avenues of Christian discipleship and nurture through preaching, worship and classes. They have an active choir providing music leadership regularly and a backpack weekend meal program in conjunction with the local elementary schools.

For further information, please contact the Vancouver District Superintendent, David Nieda, dnieda@gmail.com.
