

## Our Leadership

Our leadership is professionally trained. Our music program is directed by Dr. Jadrian Tarver, who holds degrees in Vocal Performance and Music Education, and also teaches at Gonzaga. Our pianist is Ellen Tupper, a multi-denominational pianist and arranger who brings decades of experience. We host Gonzaga Choral Scholars for college students, and our mission to bring transformation through God's love is upheld daily by countless volunteers.

## Manito United Methodist Church & Community Center

## Who We Are

Manito United Methodist Church has been worshiping and serving on the South Hill for over 100 years. Manito began life as a center for a growing community, with a barber shop and basketball court.

Today, Manito UMC is a place to become whole and holy. We gather to worship, fellowship, question, discuss, pray, sing, support, and grow. We are proponents of joy, justice and dignity for all, including LGBTQ, immigrants and refugees.

## Who We Are

Our missional focus supports community partners in caring, such as Shalom (dining with dignity in downtown Spokane), Mission Community Outreach Center, and Women's Hearth. On a regional and global level, we support relief through UMCOR and United Methodist missions in Mexico, Africa and other places world-wide.

At Manito UMC we believe love is

transformative. God's love for humanity and creation is so great that it overflows in us and through us, so that we have the capacity to love others. We believe that God's love was made present in the form of Jesus Christ, who brought us a model of how to love God and love others. God's love for us is still present through the Holy Spirit, who guides our hearts and actions.

As the church, we are the story of God's love, lived out in faith and action. We believe that all life is important and should be valued. Humanity, animals, the earth, seas and sky are all God's creation, deserving of care, justice and nurturing. We are about creating genuine community, shared purpose, and practices that connect us to something larger than ourselves. As followers of Jesus, our ministry is inclusive, understanding the need for belonging, human connection and vulnerability, and to feel welcomed.

## Accessibility

Manito UMC strives to be accessible in worship and fellowship. All of our services include sign language from an ASL Interpreter, as well as access to assisted hearing devices. A chair lift to the sanctuary is available near the north-east entrance off the parking lot located on Grand Blvd. A ramp with accessibility to the office and first floor rooms is located at the west entrance of the building.
